Wayne (w Agrim), Kim, Bernie, Peter

- Items to discuss is the well design for  
Location 5 → located near NW-7 on Agrim plot.

→ main concern is 2" vs 4" and

Nested wells. Simplest word like to install 2"

- Agrim wells are 4"; they would need  
consistency.

Resolutions - Location 5 will be ~~installed~~ installed  
with 4" AR with single screen interval
